The Consortium is designed to nurture the creative experience for students who have demonstrated excellence in the arts. From sculpture to musical theater, we have something for every creative mind.

The Consortium is open to all students, ages 10 to 18, who reside in Upper Merion, Colonial, or Norristown Area School Districts. Students will be selected on a first come, first served basis. For Main Stage Musical Theatre students, fifty will be chosen. For Theater Development, 20 students ages ten and eleven, will be accepted.

Consortium instructors are teachers and directors from area schools as well as professional artists and musicians working in their field.

Classes begin Thursday, June 25<sup>th</sup> and run weekdays from 8:30-12:30 leaving afternoons and weekends free for work and play!

This summer's program will take place at Upper Merion Area High School. Transportation via bus will be provided for Upper Merion and Norristown students. Colonial students will have to provide their own transportation.

Curriculum choices, from which each student must choose two classes, include Art, Creative Writing, Band, Orchestra, Sculpture and Musical Theater Development Class. **Main Stage Musical Theater students can only choose Musical Theater.**

During the final week of the Consortium, Music students present an evening concert, Art and Sculpture students prepare and present an art show for parents which includes the final projects of the Creative Writing class.
