229.2 *Student Activities Funds*

Student Activities Funds are established to finance a program of activities not part of the regular curriculum. The Student Activities Fund of the Colonial School District shall be the responsibility of the Superintendent of Schools and shall follow all policies and regulations established within state law, Board policy, and administrative rules and regulations. Any funds raised or disbursed by authorized clubs, organizations, societies, and groups of the members of any class shall be recorded in the Student Activity Fund and reported to the Colonial School Board on a monthly basis.

The Superintendent or his designee shall prepare reasonable rules, regulations and procedures for the implementation, management, supervision, control, and financing of this policy.
